We have also provided you with a copy of the exhibits we sought to use at the TRO hearing. From that set of exhibits, we intend to rely upon the following and seek your position on the authenticity of same:

Please reply by noon on Friday so that we can contact the appropriate witnesses from our list to insure the items are authenticated if need be.

I have attached an affidavit from the business records custodian of Moniker. In light of this affidavit, please indicate by noon tomorrow whether you will agree to the authenticity, including the accuracy of the information within, the Moniker records I provided to all of you earlier on Thursday.
